### With the support of your membership, MPA is accomplishing so much!

- After 10+ years of hard work, Old Main and 5 other buildings at the **Soldiers Home** were reopened as housing for veterans and their families at risk of homelessness in 2021! We were proud to receive awards from the National Trust for Historic Preservation and Wisconsin Historical Society for our work. We've also introduced in-person walking tours of this fabulous National Historic Landmark campus.
- We worked with the community to achieve historic designation for the 1919 **Columbia Hospital** building, a site of important medical history and place of value to many Milwaukeeans.
- We continue to work with the National Trust for Historic Preservation to meet with stakeholders and advocate for funding and progress toward a sustainable preservation solution for the **Mitchell Park Domes**.
- We hosted some awesome **programs** - Latinx Milwaukee and Historic Preservation, Preservation Month Happy Hour, Olmsted/Richardson book talk, Washington & Mitchell Park history walks, documentation workshop, and more! Hundreds of attendees came away excited about protecting the places they love. Many more programs are in the works!
